01 Guaranteed outlets, named before you pay

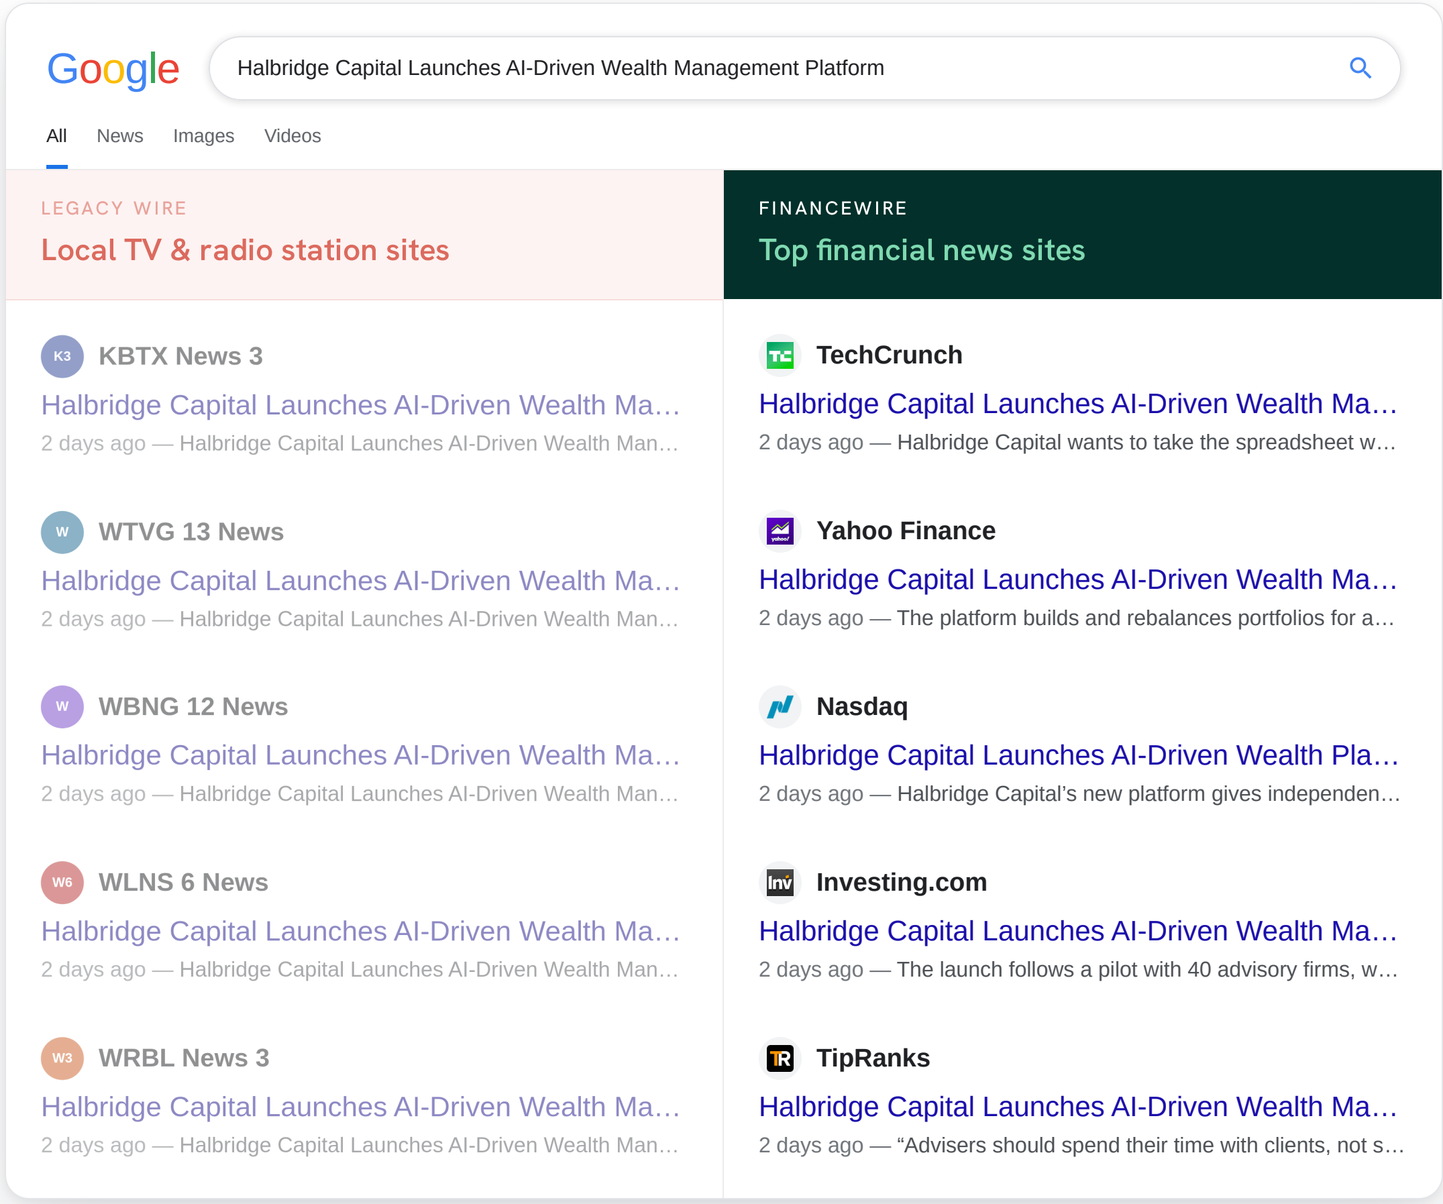

Every package lists the publications it guarantees. No feed, no guesswork.

02 Built for finance, not every industry

Your release runs beside the finance news your buyers, investors and reporters follow.

03 Homepage placement

Your release is featured on the publications' homepages, not buried on a press-release page nobody visits.

FinanceWire is part of *MediaFuse.*

MediaFuse is all about niche-focused distribution. We've been in PR since 2014 and run six newswires, each built for one industry. When your news spans two, like finance and crypto, we run it on both.
